Fantastic Riding Opportunity - Your Riding Stimulus Package for 2009!

Both Dr. Paramjeet Chopra (FEI "I") and Thomas Poulin (USEF "S") have generously donated their time and talent to host a clinic on the Monday (April 6th) following Dressage On The First Coast. Each clinician will utilize a separate outdoor arena at the Jacksonville Equestrian Center and give 45 minute lessons on the dressage subject matter of your choice – Ride-A-Test, review the weekend's scores and work on specific movements, focus on lateral work, core basics – it is up to you and your clinician. This is a fabulous opportunity to get it right from the judges' mouths.

Only 14 slots between 8:30am and 1:30pm are available on a first come - first serve basis so please make your reservations ASAP!!!!

Fees: \$40 for NFDA members

\$50 for non-members

(The fee includes the cost of the clinicians, the facility, and the use of a stall Sun. night / Mon. day. Go ahead and join NFDA (www.nfladressage.org) to save an additional \$10.)

Both of these judges are anxious to help you find those extra points that you have been missing.
